PLEASE PRAY FOR THE FOLLOWING NEEDS

1. Strength, energy, good health and protection.
2. The Lord of the Harvest will send laborers for the fields of Costa Rica, Nicaragua, Honduras and El Salvador are certainly ripe, for harvest.
3. Wisdom and discernment, as we look to 2012 and what God would have us do.

4. Souls to be added to the kingdom.

5. Homes of Hope: OEM Children’s Home for abandoned children, where they can be part of a godly family.

Certainly we desire many mission teams to each come with serving hearts and hands. An example of a team with many skills was TCBC who visited us in June in Honduras.

The team had 14 adults and 10 children and served with OEM in the following areas: leadership conference, two banking conferences at two universities, two women’s conferences, men’s conference, four church services, a children’s church service, working at an orphanage, fiestas at two schools, VBS in three areas including feeding over 200 children following one of the VBS services, door to door evangelism, devotions, share times and fellowship and hundreds of decisions were made for Christ.

This year across Central America, we will be hosting evangelism and preaching teams, clown ministry, medical teams, building teams, teams working in schools, sports teams, others working with the Police and the Fire Department, military, businesses, and hospitals.

Any gift, talent, and experience can be used in Central America to change lives forever and many of you are asking how can our church or organization help? To find how you can help in the different countries we have added the emails above under Email Us.
