

SHARE THE DREAM

“Then he said to his disciples, “The harvest is plentiful, but the workers are few. Therefore beseech the Lord of the harvest to send out workers into his harvest.” Matthew 9:37-38

Here are some of the workers the Lord is sending into His harvest in Central America and other countries that have connections to OEM:

Keith and Vickie Crowder and their daughters, Magnolia, Victoria and Shaylee. Keith and Vickie will join OEM fulltime on the field in Comayagua, Honduras in July. Their example of hearing God’s call and stepping out in faith will be a tremendous blessing to OEM and Central America. They are members of Elk River Baptist Church in Grove, Oklahoma which has worked with OEM for many years.

Eric and Melissa Weber and their children Seth and Sage. We have kept you updated on their progress for several months and they will be moving to Salinas Grande, Nicaragua in December, 2009. Eric and Melissa are long time friends of OEM and Eric serves as a Board of Director . Eric will be in charge of our ministry in Nicaragua. They are members of Northstar Church in Knoxville Tennessee which has also worked with OEM for many years.

Richard and Joann Clark of Glory to Glory ministries have also heard God’s call and will be moving to Leon, Nicaragua in January 2010. Although they will not be working through OEM, they have served with OEM many times since 2001 and we are excited that they will be sharing God in Nicaragua. Check their website www.glorytogloryministries.net.

Kevin Winemiller, a missionary, a preacher, an evangelist and a soldier. Kevin is heading to Afghanistan to serve his country and will be sharing Jesus as a Chaplain in the US army. He volunteered in 2005 and served one year in Afghanistan. Kevin is a good friend and has served with OEM many times during the last ten years. Checkout his website at www.cfmworldmissions.com. and learn more.

Pastor Rex and Kathy Brace are spending time almost every month in different countries in Latin America proclaiming the word of God. Their church, Covenant Life Church, has worked with OEM for almost 10 years and Rex is a former Board of Director of OEM.

Please remember each one of the above in your prayer.

We are excited about our upcoming trip in September to Panama. Arlene and I will be spending three complete days; preaching, sharing, doing leadership conferences and spying out the land for God's call.

OEM is in a transition period as we seek Gods will in our ministry as He opens up more doors.

We have begun the process to become residents of Honduras as we presently are in Nicaragua and also have started the paperwork for OEM to become a registered Non-Government Organization in Honduras.

Keep on praying with us and please "Share the Dream".

Help us continue to pray for:

- ⇒ Laborers
- ⇒ New Souls
- ⇒ Finances
- ⇒ Perseverance
- ⇒ Wisdom and discernment

Arlene arrived in Knoxville on April 27 and I will be in the states from May 30-July1. We love you and hope to see or hear from each of you while we in the states.
