This month OEM celebrates its 12 year anniversary of God’s call to spread the gospel across Central America. From Nicaragua to Honduras to Costa Rica and into El Salvador and beyond lives have been and still are being transformed by His touch.

From October 22, 1999 until this day the vision has remained the same but some of the methods have changed.

We continue to seek the leadership of the Holy Spirit in every-

thing we do and to give God all the honor, glory and praise.

The Holy Spirit seems to have gone before us at every step to prepare our way and to open doors in places we could have never dreamed about.

Miracles still happen, people are still being saved, healings are evident, churches are growing, leaders are multiplying, cities

still are being blessed, children are being fed, the poor are being clothed, and even better is the fact that these 12 years are not of man but of God Himself.

**Prayer Needs**

- ◇ Souls for the kingdom.
- ◇ Resources including laborers in the field.

- ◇ Strength and health for Terry and Arlene

- ◇ Someone to help with finances in Central America.

As an example of His love and mercy we have seen over 2,000,000 professions of faith, have input into over 25,000 growing and multiplying cell groups and just in the year of 2011 OEM will graduate over 1200 leaders and pastors from our leadership training classes.

WOW, God is so good and we always tell people who as "How has this happened?" We do not know; we only pray and obey. No credit goes to us or our wonderful leadership staff, only to HIM.

Arlene and I are so appreciative of all of you who read this and love you and ask you to continue to support us in your special way.

As we enter into our 13th year, we are waiting on God's instructions on many issues He has laid on our hearts. But while we wait, we will continue to follow the vision that He gave us so many years ago and go

where others do not go.

None of this would be possible without your prayers, your finances and your visits and your voices.

Next month we will outline our "Goals and Objectives" for 2012 as God directs us.

From Comayagua, Honduras, San Miguel, El Salvador, Salinas Grande, Nicaragua, and Canas, Costa Rica may God bless you in all you do.
